

CARLISLE FAMILY YMCA RESIDENT CAMP

COVID-19 REOPENING PLAN

DROP-OFF & PICK-UP

CHECK-IN PROCESS

Check-in will be curbside. We will send more details on this process prior to your camp week.

PICK-UP PROCESS

Pick-up also will be curbside. We will send more details on this process prior to your camp week.

Please note the following:

- You can choose to pick up your camper on Friday between 7-8:30pm or Saturday between 8-9am. If you will be picking up your camper on Friday, you must let the camp director know at check-in or by Thursday of their camp week at the latest.
- Visitors are not allowed at camp. Anyone needing to leave for an appointment, sports or other preplanned activity must have advance permission from the camp director.
- The Friday Campfire is not open to parents or visitors. We will film and post it for parents to view.

HEALTH & SAFETY PROTOCOL

MASKS / FACE COVERINGS

- Staff should wear masks or cloth face covering when feasible.
- Campers must always have a mask or cloth face covering with them.
- Campers should wear masks when indoors and in close quarters for extended periods of time.
- Campers do not need to wear a mask when outside.

HAND WASHING / SANITIZING PROTOCOL

All staff and campers must wash hands or use hand sanitizer:

- Upon arrival and before departure from camp.
- Before and after program stations, meals and bathroom trips.

SOCIAL DISTANCING

It is recommended to stay at least 6 feet (about 2 arm lengths) from other people, when possible. We will be encouraging social distancing through increased spacing, small groups, limited mixing between groups and staggered scheduling whenever feasible.

DAILY CLEANING PROTOCOLS

With a limited capacity, we feel we can safely use our dining hall and camp facilities as normal with cleaning and disinfecting as part of chores and daily operations.

DINING HALL PROTOCOLS

- Staff will use utensils to serve campers
- Staff will wear gloves when serving
- The dining hall will be cleaned thoroughly after each meal as in the past, and we will add wiping down door knobs and emergency restrooms daily.
- Campers have the opportunity to eat lunch and dinner outside in our pavilion if they would like.

CABIN PROTOCOLS

- Campers sleep head to feet in their bunks
- Each cabin will have wipes to use for ladders, door knobs and daily use
- Each cabin will have designated games, cards or books in their cabins for use

SYMPTOMATIC & CONFIRMED CASES

IF A STAFF MEMBER OR CAMPER BECOMES SICK, BELIEVES THEY HAVE BEEN EXPOSED TO COVID OR HAS RECEIVED A POSITIVE TEST, THEY SHOULD NOTIFY CAMP ADMINISTRATION IMMEDIATELY AND SELF-QUARANTINE.

If a staff member becomes ill or begins to show signs of COVID-19 while at camp, the following protocol is in place:

- Staff member may self-quarantine in the isolation room (Nurse's Station Room #1) until they can arrange for transportation, or they may leave immediately to seek medical advice.
- The staff member should inform camp administration of all areas of contact within the last 48 hours.
- Camp administration will notify staff and campers of the potential exposure.
- The Carlisle Family YMCA will arrange for professional sanitization company to service the areas of use at the camp facility.
- Staff may not return to work until they have been fever-free for 3 days (suspected case).
- Staff may not return to work until they have been symptom-free for 10 days (positive case).

If a camper becomes ill or begins to show signs of COVID-19 while at camp, the following protocol is in place:

- The camper will be self-quarantined in the isolation room (Nurse's Station Room #1) until they can be picked up by a parent or guardian to seek medical advice (must be within 2 hours).
- Camp staff will collect information regarding all areas of contact with the camper within the last 48 hours.
- Camp administration will notify staff and campers of the potential exposure.
- The Carlisle Family YMCA will arrange for professional sanitization company to service the areas of use at the camp facility.
- The camper may not return to camp until they have been fever-free for 3 days (suspected case).
- The camper may not return to camp until they have been symptom-free for 10 days (positive case).

Any parent who does not feel comfortable sending their camper to resident camp must cancel by July 1, 2020 to get a full refund.
