

# Wishing for a child? There's a child wishing for a family, too.

- ▶ Up to **15,000 children in Pennsylvania** need understanding, stable adults to care for them and help them regain hope for a brighter future.
- ▶ We work with loving individuals of **any age, race, ethnicity, religion, marital status or sexual orientation.**

If you're considering adoption or foster care, please **contact us to schedule a free, private consultation** with an experienced professional.

COMMON  
SENSE  
IS GOOD  
FOR KIDS.
