Help build a better us.

» DONATE TODAY.

For 166 years, the Carlisle Family YMCA has been a cornerstone of our community—a place where people come together to inspire change, build connections and create lasting impact. At the Y, we are united by a shared mission to nurture the potential of every child, promote healthy living and foster a deep sense of social responsibility. By offering opportunities to connect, grow and give back, we empower individuals and families to find purpose, passion and belonging. When we work together, our community becomes stronger—the potential is endless, and we are only just getting started.

Your support fuels our mission to ensure a healthier, safer and more engaged community. Every day, the Y serves kids, adults, seniors and families through programs that teach, heal, connect and inspire. Our doors are open to all—because together, we are one community. Your donation to the Annual Campaign strengthens this mission, helping us build brighter futures and move forward as one. Now is the time to make a difference. Join us in supporting the Y and discover the power of unity in action.

TOGETHER WE AREY!

OUR COMMUNITY. OUR Y.

The Y is more than a place—it's a purpose. Together, we create a community where everyone belongs, where potential is nurtured and where we work as one to make a lasting impact. Every connection, every program and every act of generosity brings us closer to a stronger, united future.
