

SHIPPENSBURG UNIVERSITY
Center for Career and Workforce Development

CONSTRUCTION YOUTH DISCOVERY CAMPS

Facilitated By The Shippensburg University Office of Workforce Development

Shippensburg University's Office of Workforce Development in partnership with Franklin County Career & Technology Center (FCCTC) encourages students to participate in a hands-on learning experience.

TWO WEEKS → TWO CAMPS

Participants may choose one week or the other, or they may also register for both weeks.

Camp cost covered by Congressional Funding.

Shippensburg University was awarded a \$275,000 grant from the US Department of Labor, Employment and Training Administration in support of its South-Central Career Development and Readiness Initiative. Parts of this program are supported by federal funds.

Intro to Construction

WEEK 1

June 8 - 12th

\$25 cost per person

- Explore possible careers in construction.
- Hands-on introduction to the various elements of important trade-skills like Carpentry, Metalwork, and Electrical
- Visit industry-related sites to see the work in action and meet construction industry experts.

Dig Deeper into Construction

WEEK 2

June 15 - 19th

\$25 cost per person

- Chisel your way to success within Carpentry
 - » Dive deeper into elements like Siding, Roofing, and Drywall.
- Build your skills within Construction
 - » Focus on the intricate skills of Masonry.

Both Camp Weeks Have **DAY** and **OVERNIGHT** Camper Options For **Participants Only**. Each week is charged **SEPARATELY**.

High School Students completing grades 9, 10, 11, or 12 are encouraged to register and **CONSTRUCT** their skills for the workforce! **Scan The QR Code to Register Today!**
