1 Get $150 when you open a Simply Right® Checking account (with applicable minimum opening deposit) by 9/30/2026 and have a minimum of 5 debit card transactions over first 45 days. The 45-day period begins the day of account opening, unless the account is opened on a weekend or holiday, in which case the period begins on the first business day after account opening. You must be 18 years or older. Offer is not available if any account owner is a current checking customer of Santander or had a Santander checking account in the last 12 months prior to account opening. If multiple accounts are opened with the same signer, or maintained with the same ownership as of the date the bonus is payable, only one account will be eligible for the bonus. Offer cannot be combined with any other checking bonus offers. Offer is only available to residents of NH, MA, RI, CT, DE, NY, NJ, PA, or select areas in FL: Miami-Dade, Monroe, Broward counties, and Collier county ZIP code 34141. Offer is subject to change at any time. The account must be open for at least 45 days and remain open in an eligible account type until payment of bonus, which will occur within 15 days thereafter. In addition, the account must be open and in good standing at time of bonus payment. The bonus is considered interest and will be reported to the IRS on Form 1099-INT.

2 Following account opening, the Monthly Fee will be waived for all customers on the first 2 statement cycles for Simply Right® Checking.

3 If a transaction causes your account's balance to be overdrawn by one hundred dollars ($100) or less, we will not assess any Insufficient – Item Paid fee(s) for that item. The amount of the Insufficient Funds – Item Paid Fee, and Sustained Overdraft Fee, is $15. A Sustained Overdraft Fee applies to accounts overdrawn by any amount (negative balance) for five (5) consecutive Business Days when the overdrawn balance at the end of the first day is more than $100, and is assessed to the account on the sixth (6th) Business Day. Fees may be imposed for covering overdrafts created by check, in-person withdrawal, ATM withdrawal, or other electronic means. Whether overdrafts will be paid is discretionary and we reserve the right not to pay. For example, we typically do not pay overdrafts if your account is overdrawn for an extended period of time or the overdrawn amount is excessive. Any overdrafts that we pay must be promptly repaid by you.
